NOTIFICATION OF CHANGE OF STATUS
PURSUANT TO RULE 1.28(b)

Sir:

Pursuant to Rule 1.28(b), applicants hereby notify the United States Patent and Trademark Office of a change in status from a small entity to other than a small entity. Small entity status was originally asserted in the above identified application in a Verified Statement (Declaration) Claiming Small Entity Status (37 CFR 1.9(f) and 1.27(c)) - Small Business concern - dated May 8, 1987.

The change in status is necessitated by assignee being acquired by a Large Entity, Hafslund Nycomed Corporation of Oslo, Norway.

All fees due in conjunction with the above-identified patent application should be paid on the basis of other than a small entity.

Respectfully submitted,
